

JEFFERSON COUNTY USED ELECTRONICS DISPOSAL GUIDE

Beginning Jan. 24, 2013, a disposal ban on certain electronic covered devices went into effect in Pennsylvania. From that date forward, no person may dispose of a covered device, or any of its components, with their garbage. These devices and their components must be properly recycled and may not be taken to landfills or other solid waste disposal facilities.

Electronics included in the Covered Device Recycling Act (CDRA) are:

Televisions
Laptop computers

Desktop computers
Computer monitors

Computer peripherals (hard drive, keyboard, printer, scanner, mouse)

For more information on the CDRA:
