## **VENTALATION PRACTICES**

The Lindsey Volunteer Fire Department in cooperation with the Jefferson County Department of Emergency Services will be hosting a Ventilation Practice Training Course, to be held at the Lindsey Volunteer Fire Department.

**Course Description:** This course will cover what ventilation is, why we do it, and how to obtain proper ventilation. Horizontal and vertical ventilation will be discussed, along with the methods including natural and mechanical. Positive pressure ventilation will be introduced and demonstrated. Ventilation as a defensive operation will also be talked about including trench cutting. The course will have the students involved in hands-on exercises performing the skills listed on a mock roof and ventilation a building mechanically that is charged by a smoke machine.
