AERIAL APPARATUS PRACTICES

The Brockway Volunteer Hose Co. in cooperation with the Jefferson County Department of Emergency Services will be hosting an Aerial Apparatus Practices training, to be held at the Brockway Volunteer Hose Co.

This course provides instruction in basic operating principles and procedures of aerial apparatus. The type of apparatus available, their advantages and disadvantages, and the operability will be discussed. Proper placement and safety issues will be stressed.

Prerequisites for this course include: *ELIS*

TOG is needed for this training!
